Tris document companies information appearing the national depthise of this united practic uttrian tric examine of the exponence act to it. s.c., at and 22, as alledided. Its transpossions on the experiment of the contents in any examine to all unauthorized period by pre-limited by Law. (exposured) us for the procedition. THIS IS UNEVALUATED INFORMATION A secret Hungarian Government order announces the forthcoming introduction of a 25X1 Compulsory Labor Service establishment in Hungary. According to the order, about one million people will be forced into the Labor Service. They are to be 25X1 recruited from every strata of society. Members of the Police, Army and Communist Party are the only exceptions to the terms of this order. Some weeks ago, 25X1 there was a rumor in circulation in Hungarian Communist circles that the Government is planning to include in the Labor Service the overwhelming majority who hold pensions, thus reducing the expenses of the budget to a considerable extent. This document is hereby regraded to CONFIDENTIAL in accordance with the

letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States. Next Review Date: 2008
